

## Let the Tour Begin!

This will be your first assignment to kick off the new year! This assignment is for both the student and the parent(s)/guardian(s). Odyssey's website is filled with all sorts of useful information, links, and downloads that you will use on a daily basis for the entire year. Simply follow the directions below. When you finish you (students/parent(s)) will need to sign and date the paper. I will collect this paper on our first home visit.

- 1.) Go to the following website: <http://www.odysseyk12.org/K8/>  
**(I would recommend setting this web page as your home page. To do this click on tools at the top of your page, click on internet options, and click on the general tab if it's not already up. Where it says home page type in <http://www.odysseyk12.org/K8/> and click apply.)**
- 2.) Now that you are on the Odyssey Charter School homepage you will need to sign up for the newsletter. You simply need to type in your email address. Can you find it?  
 **I have signed up for the news letter.**
- 3.) Go back to the main page. Now you will see three tabs that say students, parents, and first time visitors. Please click on the students tab. Once this page pops up, look at the top of the page. Next to the Odyssey Charter School symbol you will see the home icon. Next to the home icon is the ABOUT US icon. Drag your mouse over this icon and a list will appear. Click and read through the ABOUT link. Once you finish reading, please check of the box below to indicate that you have read the page. Continue on with the MISSION and FAQ's page. When you finish with that section continue on the row of icons that are listed below.
